Objections to the Drawings

The Examiner objected to the drawings under 37 CFR 1.83(a) for failing to show every feature recited in the claims. Specifically, the Examiner noted that no strap was illustrated in the embodiment of Figures 11-16.

As noted in the above section entitled "AMENDMENTS TO THE DRAWINGS," Applicant has submitted a complete set of Figures as an Appendix hereto, including Figures 1-10 as filed, and Figures 11-16 on Replacement Sheets. On the Replacement Sheets, Applicant has depicted the strap in the embodiment of Figures 11-16. The addition of the strap is supported by at least paragraphs [0034], [0036], [0052], [0059], and Figures 2-10 of the present application as filed. Further, Applicant has amended the text of paragraphs [0052] and [0059] to more clearly identify the strap in Figures 11-16. No new matter has been added in this amendment.

Applicant therefore submits that this application is in condition for allowance. Applicant requests that the Examiner withdraw the previous objections and issue a Notice of Allowance at the earliest convenience. Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.
